Explanation of *Appointments* & Fees at *CorePsych*

Dr. Charles Parker

Earon Massie: Patient Care Coordinator | 757.671.1776
CorePsych.com/services | CorePsych.com/appointments

Fees: We ask that all payments be made prior to your scheduled appointment time. We require 24 hours notice for cancellations. For your convenience you can pay on line at the appointment link above. We are unable to confirm your appointment if payment is not received in full at the time the appointment is made. Please contact Earon by email at emassie@corepsych.com if you have any questions or concerns about appointments or submitting your invoice to your insurance company. We don't submit for insurance payments. Schedule Dr. Parker or Earon through the /appointments portal.

Earon | For Testing Questions | Supplements | Med Follow Up | Insurance: 15 Minutes - Free Schedule here through our appointment system:

<http://corepsych.com/appointments> - Testing, Med refills and supplement orders: Earon is also able to answer some questions regarding insurance. While we cannot file insurance claims for you, Earon can offer you the coding and information you will need to file claims on your own.

Dr. Parker | *Phone* Inquiry, *Only 15 min:* 2 Questions - Complimentary

Patient or parent is asked to prepare two questions and submit those questions via our Appointment Intake Form 48 hours prior to their scheduled appointment. Dr. Parker will look over the questions prior to the consultation. Parker will call you, so plan to be at the phone number you give us, and allow a few minutes as it's always at the end of his day.

Dr. Parker | Initial Evaluation - *Va. Beach Office,* or by *Phone,* or by *Zoom* 1 Hour - \$300.00

Choose: Can be 1. In person, 2. By telephone, or 3. Through our HIPAA Compliant Video Software – *Zoom*. At this first evaluation patients meet with Dr. Parker to go over past history, medications and treatment objectives. Dr. Parker will recommend specific testing after this initial visit - after understanding your history and symptom presentation.

Note: If the patient meets with *Dr. Parker at the Virginia Beach office* he/she will have the opportunity to connect with Earon in person to follow up with specific CorePsych kits and testing recommendations following your appointment. However, to request

testing supplies or supplements *after a phone or zoom appointment*, patients will be asked to *book a time to connect with Earon* through our Appointment System – it saves playing telephone tag.

Dr. Parker | Evaluation With Labs Review - *In Office* by *Phone* or by *Zoom*
1.5 Hours - \$450.00

Book this one if we've recommended specific testing as part of your Initial Evaluation. Approximately three weeks after the tests are submitted, the results will be returned to the office. Patients are asked to make a 1.5-hour follow up appointment with Dr. Parker approximately three weeks after submitting their testing. At this appointment, Dr. Parker will go over all tests as well as a protocol for care and recommend supplements and/or medication. *Earon will call you when your tests arrive to set that appointment time – you will make the appointment through the online appointment scheduler.*

After any patient evaluation and/or starting supplements/meds, we ask that they check back in with the office for the following type of appointments:

Ongoing Follow Up Structure

Follow Up Appointments *Va. Beach Office* by *Phone* or by *Zoom*

> **Routine Follow Up 30 Minutes** - This is if things are going relatively well, and the patient has concerns or questions about their supplements/protocol.

30 Minutes \$150.00

> **Follow Up 1 Hour** This follow up appointment is for the patient who is still having multiple difficulties and needs to be reassessed or feels that they would like to have more testing. **1 Hour - \$300.00**
